Job Title: Facilities & Equipment Technician

Company: Calumet Painting and Restoration

Employment Type: Part-Time (20-30 hours/week)

Schedule: Flexible hours

Compensation: Competitive, based on experience and expertise

Calumet Painting and Restoration is seeking a skilled, detail-oriented Facilities and Equipment Technician to keep our operations running smoothly. In this role, you will be the backbone of our job preparation—ensuring our vehicles, tools, and materials are inspected, maintained, and ready for our field crews every day.

Key Responsibilities

• **Equipment Inspection & Repair:** Test, troubleshoot, and service critical job-site equipment before deployment, including pressure washers (ensuring proper fittings, hoses, and tips), generators, airless paint sprayers, and power tools.
• **Light Fleet Maintenance:** Perform basic automotive maintenance, fluid checks, and minor repairs on company service vehicles and trailers.
• **Material & Inventory Staging:** Organize, stage, and track paint supplies, sundries, and materials needed for upcoming residential and commercial projects.
• **Shop & Facility Upkeep:** Maintain a clean, safe, and organized shop and staging area.

Qualifications & Skills

•Experience in automotive repair and general mechanical maintenance.
• Background in small engine repair and troubleshooting (generators, gas-powered pressure washers, etc.) is a major plus.
• Strong organizational skills and attention to detail.
• Valid driver's license
• Subject to background check

Why Join Us?

• **Flexibility:** Work 20-30 hours per week with adaptable scheduling options.
• **Autonomy:** Take ownership of shop management, fleet health, and tool maintenance.
• **Fair Pay:** Hourly compensation directly aligned with your hands-on skills and expertise.
